

# Green Economy Coalition

## Membership Application Form

[www.greeneconomycoalition.org](http://www.greeneconomycoalition.org)

The Green Economy Coalition (GEC) is the **largest multi-stakeholder alliance of organisations committed to the transition to a fair, green economy**. By working together, we are more influential and can leverage greater expertise and resources.

Our understanding of a green economy is one that 'brings a better quality of life for all within the limits of the planet'. As such, we are committed to the principles of ecological limits, inclusivity and equity.

Joining the GEC means access to our global membership and network, the opportunity to develop and deliver collaborative, externally funded projects, and ways to increase influence through shared policy positions.

There is no membership fee for joining the GEC. However, we encourage all members to proactively engage in discussion, promote joint products and collaborate wherever possible.

We ask that you **nominate a focal point** for ease of communication between the GEC and your organisation, and request that your organisation **displays GEC membership** on your website.

We are keen to develop genuinely collaborative, mutually beneficial relationships with our members. Some possible avenues for joint collaboration include writing, sharing, re-posting and promoting articles on the GEC and member organisation's website and social media feeds; participating in and promoting each others events, webinars and panels; sharing expertise from across our respective networks on our work and projects; exploring joint fundraising opportunities; networking and sharing connections in relevant fields; etc.

Please return this form to **Ben Martin** ([ben.martin@greeneconomycoalition.org](mailto:ben.martin@greeneconomycoalition.org)) together with your logo in high-resolution eps and/or png format.

Focal Point Information	
Family Name	
First Name	
Title	
Gender	
Professional Information	
Name of Institution	
Address	
Telephone Number	
Mobile Number	
Email Address	
Web page	
Which stakeholder group does your organisation represent? (E.g. NGO, business, academic etc.)	
What is the scope of your organisation (e.g. local, national, subnational, regional, global)	
Expertise	
<p>In 200 words or less please tell us why your organisation wants to join the Green Economy Coalition. Please include information about your organisation's area of expertise, related interests, and networks which you could bring to this platform.</p>	

**CROSS-CUTTING ACTIVITIES:**

1. Dialogues: to enrich the green economy debate from a multitude of different perspectives, to build new networks for action, and to ensure that the voices of communities are represented.
2. Communications: to build knowledge, share expertise and generate a compelling narrative for change; to create demand for action at the public level
3. Policy: to develop an economically coherent diagnosis of structural flaws in the brown economy, and to speak with 'one voice' on green economy policies that can bring about the transition to a fairer, greener future.

<p><b>Commitment</b> GEC has <b>3 cross-cutting workstreams</b> (below). In the box provided (200 words max), please indicate how you/your organisation might contribute <b>to at least one of these</b>.</p>	
1. Dialogues	
2. Communications	
3. Policy	
<p><b>Commitment</b> GEC works on <b>5 thematic areas</b> (<a href="#">link</a>). In the box provided (200 words max), please indicate how you/your organisation might contribute <b>to at least one of these</b>.</p>	
1. Measuring & Governing	
2. Reform Finance	
3. Greening Sectors	
4. Tackling Inequality	
5. Valuing Nature	
<p><b>Other information</b> Please use this space to let us know of any other information that might be relevant.</p>
